Dear Ken, Michael, and Jack:

Thank you very much for your letter to Bobbie about WYBC show at Smith. We are all in enthusiastic accord with you suggestion, and I issue to you a formal invitation to come Friday, March 18 and take over WCSR. ~~I am sorry we can't arrange for an earlier date, but~~ We have been trying to arrange for an earlier date, but this is the earliest possible. Friday nights at 8 and the 18th is the earliest

Your program log sounds fine: keep it or add to it. How about some music from "Button-Button" or "Whoosh!"? You have our permission to plan whatever you would enjoy doing. Just draw up the schedule in time for plenty of publicity, though word of mouth will undoubtedly beat the papers. Our evening hours are from 7 to 11 o'clock. Plan within them for as much time as you would like, and we'll be on hand to welcome you.

It would be a pleasure to produce a return program for you, though it will have to be after March 18.

We are looking forward to hearing your more specific plans as well as to the time when we'll actually be hearing you.

Sincerely,

Louise Deitz
Executive Secretary
